## Class Descriptions

<b>BOOM MIND™</b>	BOOM MIND takes the best from yoga and Pilates and combines them into one fusion class. Designed to relax the body and mind. The focus of this class is on core muscles, lower body strength and balance.
<b>DUMBBELLS 101</b>	Head-to-toe strength training with dumbbells. All muscle groups are incorporated. Warm up before and stretch throughout. Class also works on balance, coordination, and flexibility. Wednesday is a “challenge day” which is a little harder than the others.
<b>POWER HOUR</b>	Athletic Conditioning including pushups, sit ups, step drills, squats, lunges, burpees. Lots of up and down, lots of stretching. An early morning butt kicking. Very fast paced.
<b>SPIN</b>	An indoor cycling workout focusing on endurance, strength, intervals, and high intensity work, with energizing music and challenging terrain.
<b>SHRED</b>	This total body workout incorporates strength and cardio training to challenge you through intervals or stations. Intervals are typically one-minute of work, with 30 seconds of rest. Exercises in this class are more advanced.
 <b>STABILITY</b>	Get stronger and improve your balance through exercises that strengthen the ankle, knee and hip joints all in a fun and social setting. This class is designed specifically for fall prevention.
<b>TAI CHI</b>	A moving meditation that involves a series of slow gentle movements and physical postures, a meditative state of mind, and controlled breathing.
<b>ZUMBA®</b>	Zumba class is a combination of Latin and international music and dance to create a dynamic and calorie-burning workout for people of all fitness levels.

---

## Specialty Class

<b>ROCK STEADY BOXING</b>	Rock Steady Boxing is a health and wellness program designed for people with Parkinson’s Disease. Class is based on a foundation of non-contact boxing, and is very effective for improving all of the symptoms associated with Parkinson’s Disease. Two classes are offered to accommodate participants experiencing different stages of the disease.
